

Staffing

We would like to let you know about teaching arrangements from September:

Class 1: Sarah Reid and Saanya Khan, Class 2: Mike Seddon and Class 3: Natalie Shackleton.

We are looking forward to welcoming Sarah Reid and Saanya Khan to our team, who both work for the Federation. Miss Khan will be covering Miss Mitchell's maternity leave. Alison Barker will be working across the Federation in September.

We are delighted to report that Domini Mitchell has (finally!) had a baby boy (name as yet unknown) weighing 8lb 11oz! Congratulations to her and her family.

We would all like to wish Gail Newton our best wishes on her retirement this summer, and also congratulate her on winning the 'Headteacher of the Year' award at the recent Examiner Schools Awards Ceremony.

A message from Gail:

A massive thank you. I am overwhelmed by all the gifts, good wishes and events held in my honour!!! One of the highlights was being nominated for Headteacher of the Year and winning! - which was a massive privilege.

I have bought a watch with part of the money collected and I intend to buy a Bridge leather bag - something I have always dreamed of but never actually done as they are so expensive, that's the Yorkshire girl in me!

My career has been amazing, I have loved every minute and that is mainly due to the children, parents, staff and governors, so thank you very much and best wishes to you all for the future.

School meals

As we approach the end of term, **there should be no outstanding accounts on ParentPay**. Any credits will be carried forward to next year, when the price of a school meal will be £2.25 per day/£11.25 per week. **We would like to remind parents that dinner money should be paid in advance.**

School milk

Don't forget that if your child would like school milk from September you must pay £11.50 via ParentPay by the deadline of **Friday 19 July** so that milk can be ordered for you. Thank you.

FOSS fundraising

We had another successful summer fair this year, the sun shone and it was, once again, very well attended. Thank you to all those who helped to make this event such a success - we were delighted to have made over £1400, which is amazing! We also raised £550.50 at the sponsored 'Lap it Up Challenge'.

Scapegoat Hill J & I School has been emailed by the researchers from Leeds Beckett University who wish to contact parents and carers of Year 6 and Reception year pupils regarding their opinion of the National Child Measurement Programme letters. Your feedback will provide essential information for the future delivery of the NCMP letters. If you wish to provide the feedback, please use the link below. The survey takes up to 5 minutes to complete.
<https://ncmp.me/survey>

For every parent or carer who provides feedback, the researchers will donate £1 to a charitable cause. For more information, please contact m.cadek@leedsbeckett.ac.uk from Leeds Beckett University.

Good luck to all those pupils who are leaving us this week, and we will welcome the rest of you back at school on Tuesday 3 September. We hope you all have a lovely summer break!
