

Christmas performances

We hope you enjoyed the fantastic performances of our talented children!

Class 1 children performed 'The Queen of all Polar Bears', all about the importance of recognising and understanding that we are all unique and different. It shared messages of peace, acceptance, understanding and friendship.

Classes 2 & 3 performed 'The Nativity Rescuers', looking behind the scenes at everything and everyone involved in making a school production happen. The message was how much we can achieve when we all work together as a team.

A reminder that if you took photos or recordings of any of the performances these should not be uploaded to social media - thank you.

FOSS Christmas Fair

The Christmas Fair was another fantastic success this year. The school was bursting at the seams, Santa was very busy in his grotto, and we were delighted to hear that FOSS made £1380.72 at the fair and from selling raffle tickets! Thank you and well done to everyone who worked tirelessly to make this event such a success, and thank you to all those parents and children who attended.

Admission to school

A reminder that if your child is starting primary school (Reception) in September 2020, you must apply online by 15 January 2020 (applies for children born between 1 September 2015 and 31 August 2016). There is a link from our school website (Information/Admissions) to the Kirklees admissions website.

Admission to nursery

Our Federation nursery admissions policy for the nursery at Linthwaite Clough JI&EY includes the opportunity for children from Scapegoat Hill, or children with siblings at Scapegoat Hill J&I, to attend. Admissions for September 2020 are for children born between 01.09.16 and 31.08.17. If you are interested please contact either school.

Your children at the heart of all we do

Working in partnership with our school the Catering Service are introducing an electronic meal ordering system, Cypad Meal Selector, which will commence after the Christmas holiday.

How will this work?

Parents pay for school meals in their normal way. Children can choose their meal themselves during morning registration using the classroom whiteboard. If you pay for your child's meal please ensure there are sufficient funds in your account to pay for the meals ordered.

What are the benefits?

Parents have access to full reports on what children are eating. These can be provided on request by the school admin team.

Presented with brightly coloured menu items, to engage the children so they can identify what they are ordering and encourage food learning.

The software helps children to understand meal choices better, which maximises KS1 & Reception free school meal uptake.

Helps the kitchen plan ordering, reducing food waste whilst ensuring your child receives the meal of their choice.

We hope you appreciate the benefits of this system and will support the school and the Catering Service in the introduction of this system.

REMINDER!

School milk is available to all children. If your child would like school milk next term please pay £11.50 into ParentPay before Monday 6 January. Thank you.

School re-opens on Monday 6 January 2020.
All the children and staff would like to wish you
a very Merry Christmas and a Happy and Prosperous New Year!
