

*Scapegoat Hill and Linthwaite Clough Federation is a community of confident, creative learners thriving together in a rich, inclusive environment that raises the aspirations of each unique child.*

Welcome to our first newsletter of the academic year. It has been a busy start to the term with lots of exciting opportunities for all the children - from poets to residential visits and forests schools to Bikeability. Assemblies have covered topics about our values and vision, black history month and staying safe. We hope you enjoy reading about all the events and activities and welcome any ideas or feedback you have.

## Meet our new Reception children!

We would like to wish a very warm welcome to all of the children and their families who started with us - our new Reception children have settled in really well and become a welcome addition to our school.

The children have all been very busy learning lots of new things and making new friends.

## Ed Clancy

Earlier in the term, we had the opportunity to meet Olympic cyclist Ed Clancy. He delivered an assembly around the importance of perseverance, determination and goal setting, all of which played a key role in his achievements. The children (and staff) were very excited to see all his gold medals! After the assembly, Class 3 children took part in practical lessons, and the children had a great morning.

Isabella said  
*"He showed us his bike and*

*different wheels and told us about his hospital injury where he had a lot of help from friends and family and he believed in himself to get better."*  
Caitlin *"liked the obstacle courses, going over ramps, and learning new skills".*

## Scotfit

A professional instructor from Scootability, a nationwide scooter training program, visited school recently. He brought all the scooters, helmets, ramps etc and helped pupils develop their skills and confidence towards safer scootering habits.

All the classes enjoyed training sessions during the day.

Rory thought *"it was fun, you went up ramps so you went high, when you landed you thought you were going to fall over, but I landed safely and it was exciting!"*. Sophie *"learned how to be safe on scooters, how to balance so you don't fall over – it was really fun!"*

## A visit from 'That Poetry Bloke', Craig Bradley

We celebrated National Poetry day on Thursday 7 October with a visit from a local poet. During assemblies he shared poems with all the children in school and worked with each class creating group poems.

The children had lots of fun joining in with poems and rhymes and we hope that the day inspired the children to read and perform lots more poems in school and at home.

Pixie *"enjoyed it, he was a bit bonkers and he talked in a funny voice!"* and Leo said that *"he told us some funny jokes – he was silly so it was fun!"* and Star learned that *"poetry is not underpants" ?!?!*

## Cliffe House

Year 6 children enjoyed an excellent residential at Cliffe House. They took advantage of the variety of activities from rock climbing to pond studies; and appeared to have a wonderful time making memories. Cliffe House did a great job looking after us all, the staff were all excellent and the cooks made us some great meals.

We hope all the children came home buzzing about their experiences.

Eric really enjoyed the visit and *"liked the rock climbing best, and the bread making outside on a fire, and sleeping in the same room as everyone"*.

Luka said *"It was good, lots of activities outdoors, using teamwork. My favourites were cooking outside and rock climbing. We got to know more people from Linthwaite Clough."*

Austin thought that *"it was really fun, running around doing activities. We learned how to build a wooden car in the team and tested it afterwards."*
